8. [] Maura, on the staff of the Subcommittee on Government Information and Individual Rights, House Committee on Government Operations, called to request that a courier stop by tomorrow to pick up correspondence addressed to Admiral Turner. Registry was advised and sent a courier to pick up the package.

9. [] LIAISON Larry Sulc, Minority staff, House International Relations Committee, called and said he was sorry he had to cancel his meeting with [], OLC, but he did want to talk to somebody in the next day or so. He seemed reluctant to discuss the subject matter. I told him [] would be back tomorrow and I would ask him to call.

10. [] LIAISON Called Mike O'Neil, Chief Counsel, House Permanent Select Committee on Intelligence, and told him of the problem we are having with the staff of the House Select Committee on Assassinations. I told him that we were planning to have the Director send a letter to Chairman Louis Stokes (D., Ohio) and that a copy would be furnished to the Permanent Select Committee. O'Neil said he would like to be briefed more thoroughly on the matter when that letter was delivered.

11. [] BRIEFING Mike O'Neil, Chief Counsel, House Permanent Select Committee on Intelligence, called and asked that we arrange to brief the Committee on the Kampiles affair. He asked that the briefing be tomorrow morning and Representative Romano L. Mazzoli (D., Ky.) would be the only member present. At the close of the day, O'Neil called back to say that Mr. Mazzoli could not make it and, therefore, the meeting was canceled. He indicated that they would want such a briefing when they could get members present. He also asked that we furnish, for their permanent use, a copy of the document Kampiles is reported to have given the Soviets.

12. [] BRIEFING Pete Bonner, Senate Appropriations Committee staff, called to say that he did not have much more information concerning the [] incident on which Senator Ted Stevens (R., Alaska) is to be briefed tomorrow. He had discovered that Senator Stevens' information had come from Senator Henry M. Jackson's (D., Wash.) office who had in turn heard it at a briefing provided by the Helsinki Commission (Commission on Security and Cooperation in Europe). The Commission Staff Director, R. Spencer Oliver, is on leave at the present. I related this to [] NFAC/CSS.

✓ 13. [] LIAISON Talked to both Mike O'Neil, Chief Counsel, House Permanent Select Committee on Intelligence, and Bill Miller, Staff Director, Senate Select Committee on Intelligence, regarding a possible signing ceremony for the Intelligence Authorization Bill. Both were enthusiastic about this possibility. I indicated that the Speaker of the House will not transmit the Bill to the President until 6 September 1978.

14. [] LEGISLATION Received a call from Mr. Walter Douglas, Legislative Correspondent to Representative John Rhodes (R., Ariz.), who inquired about legislation to protect against the unauthorized disclosure of identities of intelligence officers. Mr. Douglas said his query was prompted by recent press articles concerning the activities of Philip Agee. I told Mr. Douglas we were looking at such legislation and gave to him numbers of several bills in both Houses of Congress that deal with this subject.

✓ 15. [] LEGISLATION Spoke with Mr. Larry Hammond, Office of Legal Counsel, Department of Justice, on the matter of providing to the House Permanent Select Committee on Intelligence amendatory language to H.R. 12171, the "Federal Accounting and Auditing Act of 1978." I gave Mr. Hammond the gist of the letter we were proposing to send from Deputy Director Carlucci to Chairman Edward P. Boland (D., Mass.), in which we were recommending very strongly that the whole issue addressed by H.R. 12171 -- the authority of the Comptroller General to audit confidential funds expenditures -- be considered carefully and preferably in the context of the charter legislation; but that, if that were not possible then we would recommend an amendment to H.R. 12171 which would maintain the status quo of the CIA's present relationship with the Comptroller General on this matter. Mr. Hammond said he had no problems with the letter but asked that we include therein a clear reference to the effect that our amendment did not address the effects of the bill on other entities of the Intelligence Community and that we would hope these matters would be addressed when the legislation receives full consideration. He also clarified for me the position of the Department on section 3 of the bill.

✓ 16. [] LEGISLATION Spoke with Mr. Michael O'Neil, Chief Counsel, House Permanent Select Committee on Intelligence, and summarized for him the letter we were proposing to send from Deputy Director Carlucci to Chairman Edward P. Boland (D., Mass.) on the matter of H.R. 12171, the "Federal Accounting and Auditing Act of 1978." Mr. O'Neil asked that we provide him today with a copy of the draft letter so that he could focus on it before meeting his commitment to get some amendatory language to Chairman Brooks' staffers working on this legislation. I told Mr. O'Neil I foresaw no problem in providing him a draft of the letter provided he did not show it to anyone not on his staff; he agreed to this. A copy of the draft letter was provided by courier to Mr. O'Neil.

✓ 17. [] LEGISLATION Discussed with Mr. John Kaul, FBI, the substance of the letter we are proposing to send from Deputy Director Carlucci to Chairman Edward P. Boland (D., Mass.), House Permanent Select Committee on Intelligence, on the matter of H.R. 12171, the "Federal Accounting and Auditing Act of 1978." Mr. Kaul said he had spoken with Mr. Larry Hammond, of the Department of Justice, subsequent to my conversation with Mr. Hammond, and Mr. Kaul asked if we could include in the letter and in our proposed amendment language that would remove from coverage of H.R. 12171 the confidential funds expenditures of the Bureau. I emphasized to Mr. Kaul we were speaking only for the CIA in terms of amendatory language since the Director's authority over confidential funds expenditures related to the CIA and since such authority of other entities of the Community are not related solely to intelligence expenditures. Mr. Kaul said he understood our concerns but explained to me the problems he would have in sending a letter forward to Chairman Boland on this legislation for the FBI. He said he would do further checking and would get back to me.

18. [] LEGISLATION Called Mr. Stu Foss, Department of Defense Office of Civilian Personnel Policy, regarding Title VII (Labor Management Relations) of the Civil Service Reform bill. According to the Civil Service Commission, Mr. Foss was to be the drafter of exclusionary language provisions for Title VII. Mr. Foss, having recently returned from vacation, was unaware of this but promised to follow up and call me back.
